NL- Bij een portraits of- project worden foto's digitaal in formaat op elkaar afgestemd. Wij drukken de portraits of ... op canvas. Met de gepigmenteerde inkten garanderen we een duurzame afdruk die een leven lang meegaat. Een portraits of- project bestaat elke keer uit één unieke print. Gesigneerd en voorzien van een uitgave datum. Op spielatten gespannen, formaat 40 x 60 cm en ingelijst in een houten lijst.

GB- In the process of a Portraits-of project digital pictures will be geared to one another. We print on canvas. The pigmented ink will guarantee it to last a lifetime. Every Portraits-of project is one unique print. Signed, dated and numbered. Stretched on key slats of 40 x 60 cm and put into a wooden frame.
